DRTrack 24.4.2 (February 2025)

Modified on: Mon, 3 Feb, 2025 at 4:24 PM

DRTrack 24.4.2 is now available to all customers. If your DRTrack account is not set up for automatic updates, please **contact our support team (https://support.appianrouting.com/en/support/tickets/new)** to schedule a time for your update.

Bug Fixes

- Fixed an issue where **Scheduled Tasks** were getting skipped
- Fixed an issue where the **Run Now** option on **Scheduled Tasks** is greyed out and unable to be used.
- Fixed an issue where the datetime is incorrect when set to run between 9pm and 4am EST.
